GITHUB : https://github.com/pluie-carino

B.Tech AIML student with internship exposure in IoT and certifications in AI and Cloud. Enthusiastic about applying and expanding skills in artificial intelligence and cloud computing to create practical solutions.

WORK EXPERIENCE

BIG SI BUCKS INNOVATION PVT.LTD - CHENNAI

IoT Intern (June 2025 - July 2025)

- Worked on an IoT-based project using sensors for real-time monitoring.
- Learned fundamentals of IoT architecture, sensor integration and data handling.
- Assisted with documentation, testing and project collaboration.

LAMBDA DIGITAL PVT . LTD - CHENNAI

WEB DEVELOPMENT INTERN (DECEMBER-2025)

- Developed a full-stack banking dashboard with secure authentication, interactive UI, and responsive layouts using React.
- Integrated dynamic components such as charts, search, navigation, and state-driven menus with backend API readiness.

EDUCATION

St. Joseph's College of Engineering, Chennai

B.Tech - Artificial Intelligence and Machine Learning
2024 - 2028

Holy Family Convent Matriculation Hr. Sec. School

2010 - 2024

SKILLS

- **Programming & tools:** C, Python, java, cloud
- **IoT:** Arduino, Sensors, IoT Systems
- **Web Development:** React native, React js, JavaScript, node.js
- **Soft Skills:** Leadership, Discipline, Communication, Problem-solving
- **Languages:** English, Tamil, Telugu

CERTIFICATES AND ACHIEVEMENTS

- AWS Academy Graduate-AWS Academy Cloud Foundations
- AWS Academy Graduate - Generative AI Foundations
- AWS Cloud Support Associate
- AWS Cloud Practitioner
- Demystifying Networking
- Python for Data Science
- Presented paper "**AI in Healthcare**" highlighting AI's role in diagnosis and treatment. in **NATIONAL CONFERENCE ON IMSTEM 2025**
- Won **Prestantia'25 Hackathon** at **Sri Sairam College of Engineering** for developing an AI-powered resume scanner with scalable backend tools including Kafka.
